

**FESTINA**

*Every minute, an emotion*

With more than 30 years of experience, the Festina Group is a prestigious international company specializing in the production and marketing of timepieces.

Its know-how and the 5 million watches that it distributes annually make it one of the benchmarks in the watch market.

The Group's leading brand, FESTINA, founded in Switzerland in 1902, is currently exported to more than 90 countries, on five continents.

Such expansion and recognition by the general public could only be achieved by building on three founding pillars:

*a proven taste for challenge,  
a desire for constant innovation,  
the tireless search for optimal value for money.*

Today, driven by the same passion, a new page is written for the brand, with the launch of Festina Writing and its arrival in the world of writing instruments and leather goods.

# WRITING INSTRUMENTS

The Festina writing instrument collection is composed of 4 strong pen silhouettes : Chronobike, Classics, Elegance & Mademoiselle. These 4 lines each have their own aesthetics, but share common DNA elements that allows for a great coherence throughout the line, like the clip and other direct reference to the Festina house watch tradition.

## CHRONOBIKE

This top selling line has a resolutely active inspired structure, with its aerodynamic shape. For this new collection, we are offering 2 new finishings of this market favorite : One wrapped in saffiano textures to match the eponymous leather line, and another engraved with a pattern reminiscent of Festina's iconic watch metal straps.

## CLASSICALS

This simple & timeless item has been a market favorite since the launch of the writing instrument collection. This year, the offer is enhanced with new color block options : Yellow, Orange, light blue & green. A new capsule edition is also available : mirroring the color of the classic version but finished in Black matt & soft textures.

## PRESTIGE

The Prestige line is our most elegant writing piece. Adorned by analogous textures and ornaments inherited from the Festina timepieces, this collection embodies refined elegance with its delicate outlines & tones.

The iconic Chronobike silhouette is now available in 3 different finishings : Brushed aluminium, wrapped in saffiano textures or engraved with a pattern reminiscent of the watches.

Delicately crafted, the clip reveals the F symbol reminiscent of the watch dials.

Each finish is available in an array of luxurious tones from neutral shades to color block elements.

Always striving for innovation and coherence with the Festina house watch tradition, this new edition of the Chronobike pen is recreating the pattern of a metal watch strap.

# CHRONOBIKE

Now offered in an array of 3 different textures, the Chronobike writing pieces are made unique by their ovoid shapes & on brand elements, such as the top, reminiscent of the eponymous watch stop button and signed with the Festina Blason.
