

A.G. SPALDING & BROS.  
*520 Fifth Avenue*  
NEW YORK

The first A.G. Spalding & Bros.  
Shop was opened in 1885 in New York's  
most prestigious street: Fifth Avenue.  
A symbolic men's only store, born to  
provide the young up-and-coming  
East Coast college students  
all the support they needed.

## 22 ALUMINIUM

Le increspature, la superficie non uniforme ed altri segni che a prima vista possono sembrare imperfezioni, sono invece le caratteristiche proprie dell'alluminio e della sua lavorazione più antica e preziosa: la fusione. Questo rende unico ed inimitabile questo prodotto

## 23 ALUMINIUM

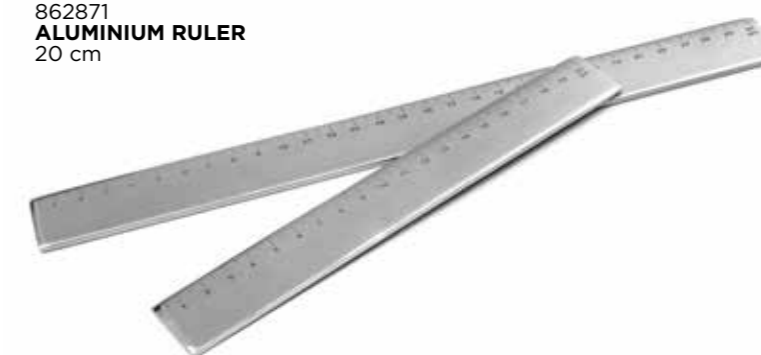

Small holes and marks on surface apparently can look imperfections but are aluminium characteristic features due to special processing: fusion. This way items get a touch of uniqueness.
